PROFESSIONAL EXPERIENCE

Internship : Citroën May2024 - June 2024

- I completed a one-month internship at Citroën, where I assisted in vehicle testing and quality control, collaborated with the engineering team on vehicle performance analysis, and contributed to market research projects. During this period, I developed strong teamwork and collaboration skills, enhanced my problem-solving and analytical abilities, and gained valuable knowledge of the automotive industry. One of my key achievements was completing a project focused on improving vehicle comfort features based on customer feedback.
- #### Indian Medical Association: Temporary Employee Sept 2024 - Oct2024
- I assisted the Indian Medical Association in managing the online registration process for doctors and their family members participating in the Navratri celebration. My responsibilities included facilitating registrations and efficiently managing data entry using Microsoft Excel. This role enhanced my organizational skills, data management capabilities, and ability to work effectively in a fast-paced environment. Despite not receiving a formal certificate, this experience contributed significantly to my professional development in event management and data handling.

EDUCATION

Metas Adventist International School April 2020 - April 2021

- 12th -
- Grade - 70%
 - I successfully completed my 12th standard with a score of 70%, demonstrating a strong academic foundation and commitment to educational excellence.

Bachelor of Technology in Automobile Engineering Sept2021 - Dec2025

- Parul University , CGPA- 6.67
- Gaining expertise in automotive design, engine systems, and industry trends. This program enhanced my technical skills and prepared me for a career in the automotive sector
