

KRISHNAKANT SONIYA

MECHANICAL ENGINEER (PURSUING)

8839522658

omsoniya97@gamil.com

SUMMARY

Dedicated and detailed-oriented Mechanical Engineer (pursuing) with a Bachelor of Technology in Mechanical Engineering. Experienced in maintenance and routine inspections of mechanical components, Adept in problem-solving and teamwork with a commitment to delivering quality results.

EDUCATION

- | | |
|---|------------|
| • Barkatullah University, Bhopal Madhya Pradesh | 2021-2025 |
| Bachelors of Technology in Mechanical Engineering | CGPA- 6.34 |
| • D.A.V Public H. Sec. School, Bhopal | |
| Class X (2019) | 53% |
| Class XII (2021) | 55% |

Certifications & Internship

- Combine Harvester Machine Operator (AGR/Q1102)
- Still Photographer (MES/Q0904) – v2.0
- SolidWorks modeling design for beginners (online)

Work Experience

AGRICULTURE SKILL DEVELOPMENT TRAINING CENTRE BHOPAL (MP)

- Conducted routine check-ups on mechanical components of harvester, ensuring optimal performance and learning operation and driving of harvester
- Collaborated with engineering teams to identify and address mechanical issues, enhancing operational efficiency.

PROJECTS

- Internship project: contributing to improved workflows and team knowledge sharing.
Project report on “study of hydrogen fuel cell to increase fuel efficiency”
- project report on “Smart helmet studies and advancements”
- (focus on integrating technology to enhance rider safety, convenience, and vehicle control.)

SKILLS

- Dedicated and detailed-oriented Mechanical Engineer
- Collaborative mindset and team work
- Time management Strong Analytical and problem solving skills
- Learning-oriented individual with practical exposure vehicle servicing.
- Perseverant and problem-solver.
