Muhammad Shaz

Mechanical Engineer

Highly motivated Mechanical Engineer with 3+ years of hands-on experience in service engineering, service advisory, and travel management. Proven track record of delivering projects on time, within budget, and to exacting standards. Holding a certification in Race Engineering, I'm eager to transition into a Race Engineer role, combining my technical expertise with a passion for motorsports. With a unique blend of engineering precision, project management skills, and industry-specific knowledge, I'm poised to drive innovation, optimize performance, and push the boundaries of excellence in the motorsport industry.

Experience
