

MINIT JOSHI

OBJECTIVE

Enthusiastic Automobile Engineering student with a strong academic background in automotive technology and engineering principles. Hands-on experience in vehicle Maintenance, development, and testing through academic projects and internships. Skilled in problem-solving and collaborating effectively within multidisciplinary teams. Eager to apply theoretical knowledge and practical skills to contribute to innovative solutions in the automotive industry.

EXPERIENCE

- **Mercedes benz**

01/02/2024 - 01/08/2024

Customer Service Trainee

At Mercedes-Benz, They Provided A 6-Month Training Program Where Each Month I Changed Departments. In The First Month, I Worked In The

Front Office Under A Service Advisor. In The Second Month, I Was In The Crm Department Where I Learned Communication With Customers Through Service Reminder Calls. Following That, I Spent Time In The Workshop Gaining Experience In Vehicle Servicing. Afterward, I Worked In The Body Shop Department As A Junior Service Advisor. In The Fifth Month, I Was In The Parts Department. For The Final Month, I Chose To Work In The Service Workshop Because As An Automobile Engineer, I Have Theoretical Knowledge And Gained Technical Expertise From Various Internships That Both Apply To More Accurate And Precise Work.
