CAREER OBJECTIVE

Striving to attain a challenging role in a reputable organization where I can utilize my technical skills and knowledge effectively to contribute towards company growth hoping to acquire valuable experience and exposure in the industry.

EDUCATION

Bachelor of Technology, Electrical & Electronics Engineering, <i>United College of Engineering and Research, Prayagraj, UP, UP (AKTU)</i> 67.5%	2025
Intermediate, BNPN Inter College, Badshapur, Jaunpur (UP board) 79.5%	2021
High School, BNPN Inter College, Badshapur, Jaunpur (UP board) 78.5%	2019

SKILLS

- Problem solving
- Teamwork
- Discipline and consistency

ACADEMIC PROJECTS

Electric Fault Location Detector

An electric fault location detector is a device or system used to identify and locate faults in electrical power systems such as underground cables, overhead lines, distribution networks. Faults can include short circuits, open circuits, or insulation failures.

CERTIFICATIONS AND ACHIEVEMENTS

- Certificate in Institute of Electrical and Electronics Engineers.
- Certificate in 3rd International Conference on Control, Computing, Communications and Materials (ICCCCM-2024) at United College of Engineering and Research, Prayagraj, U.P.

INTERNSHIP

30 Day Summer training at College Campus (UCER), Programmable Logic controller (PLC)

30 Day training in Rihand hydro Power Station, Pipri Sonebhadra (300MW)

30 Days training in UP Power Transmission Corporation Limited 220KV Substation.

EXTRACURRICULAR ACTIVITIES

- Institute of Electrical and Electronics Engineering (IEEE) member.
- Participation in Youth Parliament organised by United College of Engineering and Research.

TECHNICAL SKILLS

- MS Excel
- MS Word
