## Profile

I believe in giving my best to every project I undertake with hard work and perseverance. I am a quick learner and always willing to learn new ways to better my work. I enjoy working in a team and helping others to progress. At the same time I work well independently and realize the importance of paying attention to detail to enhance the quality of my work.

## Career Objective

My goal is to make a career in management where I can use my skills and knowledge for mutual growth.

## Work Experience
