

VIKAS MISHRA - Resume

VIKAS MISHRA

Email: vikasmishra1803@gmail.com | Phone: +91-9506039572

Location: Naini, Allahabad, UP | Languages: Hindi, English

Career Objective

Motivated and detail-oriented Mechanical Engineer with hands-on experience in production, CNC supervision, and design (AutoCAD & SolidWorks). Seeking a challenging role to contribute technical skills and passion for innovation to a dynamic organization.

Technical Skills

- Design Tools: AutoCAD, SolidWorks
- CNC Operations: Supervision, Programming Basics
- Office Tools: MS Office (Word, Excel, PowerPoint)
- Other: Team coordination, project management, manufacturing processes

Professional Experience

Production Engineer

ENTEK INSTRUMENTS PVT. LTD. | July 2024 - Present

- Work on various testing machines (CTM, VM, etc.)
- Involved in production planning, quality checks, and assembly

CNC Machine Supervisor & Design Engineer

IG RACKING PVT. LTD. | May 2022 - July 2024

- Designed multiple racking systems using SolidWorks and AutoCAD
- Supervised CNC machine operations and ensured quality compliance

VIKAS MISHRA - Resume

Education

B.Tech in Mechanical Engineering

United College of Engineering and Research, Allahabad - UPTU | 2016

Percentage: 63.16%

Class 12th - UP Board | 2011 - 74.8%

Class 10th - UP Board | 2009 - 65.5%

Training & Certifications

Mechanical Engineering Trainee - B.P.C.L., Allahabad (4 weeks)

- Learned basics of pumps, compressors, and teamwork in plant operations

Workshops & Competitions:

- IIT Kanpur's Techkriti (2015) - Technical Fest Participant
- IIT BHU - Conference on Mechanical Engineering & Technology (2014)
- ANSYS National Design Competition by CADD Centre (2016)

Strengths

- Strong understanding of engineering drawings
- Excellent teamwork and communication
- Reliable under pressure and deadlines
- Quick learner with a passion for innovation

Interests

- Reading about inventions and technology
- Cooking and music
