INTERNSHIP

Pandit Deendayal Energy University (06/2024-07/2024)

- Completed an internship at Pandit Dindayal Energy University, where I gained hands- on experience in welding, machining, 3D modelling, casting during my time at the university. This opportunity enhanced my knowledge of manufacturing and strengthened my ability to work in a dynamic, collaborative environment.

Porsche Service Centre Ahmedabad (20/01/25-20/04/25)

- In Porsche, i had worked in departments including Service advisor in front office department, CR department, body shop department, workshop as a trainee technician and final inspection department to understood whole process of the after-sales.
- As a customer service representative i am personable good at building loyal relationship, solving problem, and increasing sales. I also excel in listening to customer needs, articulating product benefits and creating solutions that provide value to customer.
