Enclave, Mohan Garden, Uttam Nagar, New Delhi,
Delhi - 110059.**

OBJECTIVE

A highly motivated and results-oriented individual with a strong foundation in mechanical engineering principles, and focusing on a particular aspect called management, currently pursuing a diploma in the field. Eager to leverage acquired skills and gain practical experience in a professional setting. Possesses excellent communication and interpersonal skills, with a willingness to learn and adapt quickly.

EXPERIENCE

- Fresher • one month or four week internship at Volkswagen group under sales manager and with some technical field related seniors.

EDUCATION

- 10th passed with 76.2 percent from CBSE (year of passing 2021)
- basic computer knowledge
- Pursuing diploma in mechanical engineering from DSEU CAMPUS G.B PANT OKHLA PHASE 3 (year of passing 2024)

Skills:-

- Technical skills:- knowledge of mechanical processes, project management, operation management etc.]
- Soft Skills: Excellent communication, interpersonal skills, teamwork, problem-solving, time management, and a strong work ethic.

Area's of interest

- Automobile: Powertrain systems (engines, transmissions) for efficiency and performance. Vehicle dynamics and control for handling and safety. Lightweight materials and structures for fuel economy and sustainability.
- Management: Project management for efficient development and production of vehicles. Supply chain management for optimizing parts sourcing and manufacturing. Quality control and assurance for maintaining high vehicle standards.
- Design: Design for manufacturability (DFM) to optimize production processes. Computer-aided design (CAD) for creating and analyzing vehicle components. Human factors engineering for user comfort and safety in the vehicle.

About me (me and my vision):-

I'm good intellectually and require several outlets for my energies. I'm not a builder but a planner, and I want others to carry out my plans it'll help others and also to the company and ofcourse it'll help me to think more about progress. I'm bold with my thoughts and words, independent, inquisitive and interested in research. I know what I want and why I want it.

I'm very intuitive. I'm a reservoir of inspired wisdom combined with inherited analytical ability, which could reward me and company through expressions of leadership, business analysis, marketing, artistic visions, and scientific research. Operating on spiritual, and technical knowledge side of my individuality can bring me and my the company in which I'll work to the great heights. I want to grow wise and to understand people and things. I have a unique way of thinking, intuitive, reflective, absorbing.
